

# FUSION

UPC Code:	818279022667
Model Number:	CHDZH-103

Fusion captures spherical video and photos, recording everything so you can find the best shots later. Play it back in VR or use OverCapture to create traditional videos and photos you can share right on your phone.<sup>1</sup> With ultra smooth stabilization and 5.2K video, Fusion is like having a professional film crew with you wherever you go.

## What's Included

## FEATURES + BENEFITS

### Spherical Video

Capture incredible spherical video of everything around you by shooting in every direction at once.

### OverCapture

OverCapture lets you frame and punch out the perfect shot from any angle to create amazing traditional videos right on your phone.<sup>1</sup>

### Control + Create With the GoPro App

Use your phone for shot preview and playback, OverCapture, editing spherical videos and sharing.<sup>1</sup>

### Immersive 360 Experiences

Play back spherical footage that brings everyone into the moment with you.

### Gimbal-Like Stabilization

Create shockingly smooth videos without a gimbal.

### Seamless Video Stitching

Immerse yourself in your VR content without stitch lines getting in the way.<sup>2</sup>

### 5.2K30 Video

Fusion takes image quality to the next level with stunning 5.2K30 video.

### 18MP Photo

Take pro-quality spherical photos in Single, Burst, Time Lapse, Night and Night Lapse modes.

### 360 Audio

Multiple microphones combine to capture spherical surround sound that comes at you from every direction.

### Waterproof

Fusion is waterproof down to 16ft (5m) without a housing.<sup>2</sup>

### Voice Commands

Easily control Fusion with commands like, "GoPro shoot burst."

## FEATURES + BENEFITS CONTINUED

### Built-In GPS

Fusion captures your GPS path, speed, elevation gain and more.

### Fast-Charging Ready

Boost your charge time. Fusion is fully compatible with the Supercharger power adapter, sold separately.

### Includes Fusion Grip

The ultra versatile Fusion Grip was specially designed for shooting VR at just the right angle and distance. The built-in tripod and extension pole help you set up and change shots on the fly.

### Works With GoPro Mounts

Compatible with most GoPro mounts to help you get the shot every time.

### GoPro Fusion Studio

Take your edits to the max. Create amazing professional videos and sync up with Adobe® Premiere® and After Effects®.

OverCapture compatibility available on iOS® only, Android™ coming soon.  
Full compatibility on iPhone® 6s, iPad mini™, 4 and later devices. Compatibility varies for earlier devices. See full details.  
\*Stitch lines will be visible in spherical content shot under water.
